### Prayer for Discernment

God, you know my needs  
and desires before I am  
able to form the words.  
Read my heart, and grant  
me the grace to walk, this  
journey.

Mother Teresa wrote,  
"God has not called me to  
be successful. He has  
called me to be faithful."

Help me to see that by  
accepting this invitation to  
serve the members of my  
parish community, I can  
be faithful to your call to  
share my talents and gifts  
with others.

Amen

## Your Personal Invitation

The lottery for Pastoral Council will take place at the Sunday August 2 Live Streaming 10AM mass. As President of the Pastoral Council, I invite and encourage every Parishioner to take the opportunity to share your time and talents to serve in a consultative capacity to our pastor, on present and future directions for our parish community. You will:

- be the body that investigates pastoral matters, to consider such matters with reflection and research, and to formulate and propose recommendations related to such matters.
- encourage a more active "lay" involvement in the life of the parish community.
- advise and assist the Pastor in a consultative role.

If you have received your sacraments and are an active, interested parishioner who is willing to serve our parish community, you are qualified to serve on the Pastoral Council.

Please consider accepting this invitation and **make a difference** by nominating yourself or someone you think would be a valuable resource on our Pastoral Council.

God Bless You,

*Joseph Nelly*
